

# P300 Pico Projector

## The World's Brightest Battery Powered Projector

The P300 is designed as an all-in-one mobile presentation platform. At its core is a robust ARM processor capable of internal high resolution 720p video, picture, and picture slide-show play-back. Coupled with the P300's dual 1-watt speakers and internal 60+ minute lithium ion battery\* the P300 can serve double-duty as both a powerful projector and as a standalone multimedia system enabling the user to project digital content directly from the projector or from a mobile phone. Connectivity is further enhanced with a VGA adapter, Composite video input, and a high-resolution digital HDMI connection that can accept resolutions up to 1080P.

### Presentations

### Gaming

### Entertaining

Ready to view all your High-Definition Media Files

Projects Images up to 120 Inches

60+ Minute Rechargeable Li-Ion Batteries lets you go completely cordless

Use the Onboard Media Player to play files directly from both USB or Micro-SD Memory

| 6 micro SD                  |                                             |

## PROJECTION SYSTEM

Max Resolution: 1920x1080 (1080P)  
 Native Resolution: 1280x800 (WXGA)  
 Max Brightness (DC): 300 Lumens  
 Max Brightness (Battery): 160 Lumens  
 Contrast Ratio: 2000:1  
 Projection Lens: Manual Focus  
 Projection Image: Available Size 10 ~ 120 inch  
 Lamp: Triple RGB LEDs with Vibrant Color Technology  
 Life 15,000hrs  
 Projection Angle: 33.4°

## GENERAL SPECIFICATIONS

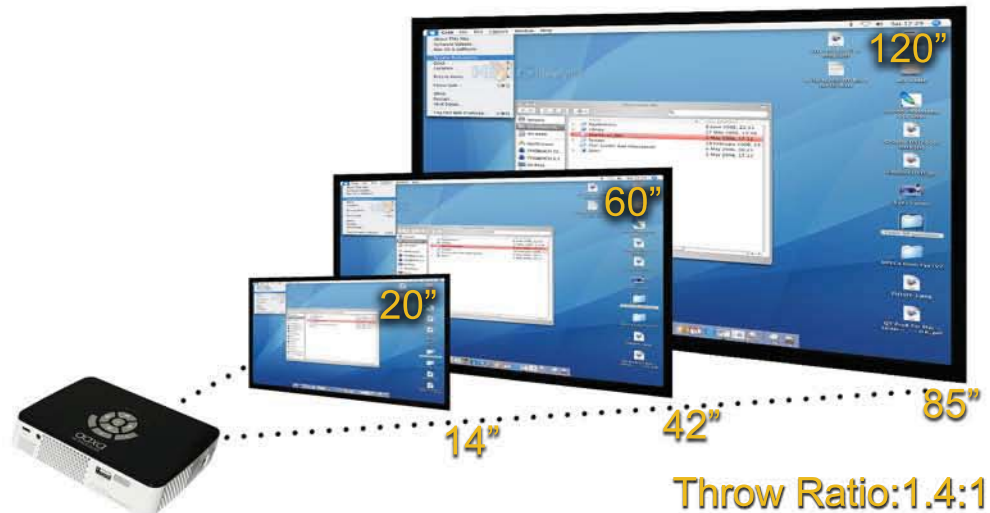

Audio Output: 1W (x2) stereo speakers  
 Stereo speaker/headphone mini-jack  
 Color: White/Black  
 File Playback: microSD & USB Host reader  
 Menu Language: English, Spanish, French, German, Chinese  
 Aspect Ratio Control: 16:10  
 Battery Life: Optional 60+ minute Li-Ion battery  
 Dimensions: 5.9" \* 3.8" \* 1.5"  
 Weight: 1.3 lbs  
 Power Consumption: 25w  
 Supported Formats: MP4 / MP3 / WMA / OGG / WAV / AVI  
 WMV SMV / BMP / JPG / GIF / TXT  
 Conformances: CE, FCC Class A

## INPUTS / OUTPUTS

Video In: HDMI  
 VGA (mini-VGA)  
 Composite A/V (3.5mm Jack)  
 Audio Out: 3.5mm Stereo Headphone Jack  
 USB: 5 Pin Mini USB 2.0

## PACKAGE CONTENTS

- P300 Pico Projector
- Composite A/V Cable
- Adjustable Tripod
- Infrared Remote Control
- 100-240V AC Adapter
- User Manual
